Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the Debtor submits that the customer asserted cryptocurrency quantities and fiat grossly overstate the quantities and holdings in such customer's accounts. The modified tickers and quantities above represent 50% of the account's holdings per the partial transfer outlined in the claim's supporting documentation. Accordingly, the Debtors seek to reduce such customer's claim to the modified quantities.

Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the Debtor submits that the customer asserted cryptocurrency quantities and fiat grossly overstate the quantities and holdings in such customer's accounts. The modified tickers and quantities above represent 50% of the account's holdings per the partial transfer outlined in the claim's supporting documentation. Accordingly, the Debtors seek to reduce such customer's claim to the modified quantities.
